RE: USF Certification – FCC Docket No. 96-45  
For Dickey Rural Telephone Cooperative

Dear Ms. Magalie Roman Salas:

Enclosed for filing in FCC Docket NO. 96-45 is an Affidavit certifying that all universal service support will only be used by the undersigned carrier for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

The undersigned carrier has also filed this affidavit with the North Dakota Public Service Commission, and it is anticipated that the North Dakota Public Service Commission will also certify by October 1, 2004 that the undersigned carrier will only use said universal service support for its intended purpose. However, because of the importance of this issue, and the fast-approaching certification deadline of October 1, 2004, the undersigned carrier is also providing certification directly to the Federal Communications Commission to ensure that the undersigned carrier continues to receive the universal service support for which it is eligible.

Sincerely,

  
Mark Scallon  
General Manager
